Dear Parent

New policy regarding the awards and punishments for the current and next session

- All the new rules will be applicable w.e.f. 17 September 2016. The two cycle tests for the First Semester in the session 2016-17 will not be considered for any punishments/ awards.
- Separate penalization would be practised for cheating cases caught with evidence (written material) In such cases, for the first time, 20% marks will be deducted along with a warning letter. In case the same student indulges in unfair means again then he would face the same punishment coupled with depriving him/her of all honours for that session.
- In case there is no material evidence against cheating case, then for first time offenders a 10% deduction will be done along with an undertaking. For second time offenders in this category, a deduction of 20% marks with a warning letter will be the punishment alongwith debarring him / her from receiving any honours for that session.
- All children should be given a fair chance to represent their cases to claim the gold medals under various categories for proficiency awards. The criteria for claim would be as follows :
 1. International Achievement 10 marks
 2. International Participation / National Achievement 8 marks
 3. National Participation / State level / Inter DPS Achievement 6 marks
 4. State level / Inter DPS Participation / District level / Inter School Achievement 4 marks
 5. District level / Inter School Participation / Intra School Achievement 2 marks
 6. Intra School Participation 1 marks

These representations will be reviewed by a committee at different levels and then the final list of awardees will be declared. If the achievement / participation is at an International Level then recognition in the form of a gold medal should be given. One category of medals can have more than one recipients. A student can get more than one medals under separate categories.

- To be eligible for scholar badge awards one year's performance at DPS Faridabad is a must for students coming from non-DPS Schools. For proficiency awards if a child has already got a certificate for the competition, then he/she will not be given any certificate again by the school.
- Students who do not turn up to receive badges / prizes / medals etc. on the day of the function, will not be given the same unless permission is sought from the competent authority.
