HOLIDAY HOMEWORK

NURSERY (2016-2017)

ME & MY ENVIRONMENT

Dear Parent,

Summer holidays are the time of the year when you get an opportunity to spend maximum time with your child. To beat the summer heat and make these days fun filled we have planned the following interesting activities. These will enhance your child's creative abilities.

They are based on what children have learnt in April-May 2016 and what they are going to learn in July.

Please emphasise on the following during vacations:-

- **Do picture reading with the child:** Introduce your child to picture books, storybooks, and converse with them to develop their vocabulary. Encourage them to talk about the pictures they see in the storybook on their own.
- **Speak simple phrases and sentences in English with your child.** Eg: Good morning; Good afternoon; Good night; Thank you; Welcome; Sorry; Please; Excuse me; I am hungry; I want to sleep; Please give me water; May I go to the wash room; May I come in?; What is this?; How are you?; I am fine; Thank you!; Open the door; shut the door; Switch on the fan. etc.
- **Inculcate social skills of sharing, cleanliness, orderliness, praying and wishing:** Give them small responsibilities like keeping their belongings at appropriate place and keeping the place clean and tidy.
- **Make them self reliant** by learning to hang their bag & water bottle, fold apron & napkin, close & open their bag, water bottle, fruit box, lunch box etc.
- **Give your child lot of colouring practice** which will help in developing their fine motor skills.

COLOUR THE EARTH BLUE AND GREEN

HAVE A BALL

When I was born I was given a ball
(The ball was green and blue)
My mom said "Share and Take good care.
It belongs to others too.

Keep it clean, keep the green parts green
Try to make the blue parts bluer.
If you love this ball it will never grow old.
In fact, it may grow newer!"

So I did all that and I did some more,
Coz I love this ball a lot.
And I hope that you will love it too....
And it's the only ball we've got!
